

MOXIE

Carpet/Upholstery Cleaner

KEYSTONE PRODUCT CODE. FG400C

Environmentally-friendly cleaning.

MOXIE™ is a concentrated fabric cleaner and spot remover ideal for use with commercial and domestic carpet/upholstery cleaning machines or as a spray cleaner. Use in homes, offices, schools, healthcare facilities, and cars, boats and other transportation vehicles.

MOXIE™ is the only soft surface pre-treatment/cleaner recommended for use with the Aegis Microbe Shield™ Technology – offered exclusively for KEYSTONE PRODUCTS.

MOXIE™ removes soil and tough stains, while not affecting normal fabric stain resistant properties. Dilute with water for general cleaning or use full-strength as spot remover.

This product, when used as directed, is formulated as both stain remover and soft-surface cleaner for: commercial and domestic carpet/upholstery cleaning machines or as a spray cleaner; can be used in offices, homes, fabrics, drapes, carpets, upholstery, cars, RVs, and boats. Not recommended on dyed cottons or silk.

SUMMARY DIRECTIONS:

FOR MACHINE CLEANERS: Dilute MOXIE™ with 4 parts water for normal cleaning.

FOR SPRAY CLEANERS: Dilute MOXIE™ with up to 4 parts water

AS A SPOT REMOVER: Spray or dab MOXIE™ full strength on tough stains

AS PREPARATION FOR AEGIS MICROBE SHIELD ANTIMICROBIAL: MOXIE™ is specially formulated to work with AEGIS and aids in the AEGIS APPLICATION.

MOXIE™ CLEANS AND FRESHENS MOST “SOFT SURFACES”

INCLUDING:

- CARPETS
- UPHOLSTERY
